

MINI CABLELOK SECURE OPEN MERCHANDISING

The next generation of 2 & 3 Alarm Mini CableLoks, make the open merchandising of high value items, easier and more seamless than ever. Big protection wrapped in a small, elegant package make this Alarming Mini CableLok the perfect option for securing a wide variety merchandise.

Key Features:

- 7 x 7 strand aircraft grade cable
- Attractive landscape design
- 95 bDA alarm
- Flashing LED light
- Isolated sound chamber
- Simple to apply and remove
- Tough, secure and reusable
- Special unique detacher adds another level of security

3 Alarm Technology:

- CableLok will activate an EAS alarm if an attempt to take it through a system occurs.
- CableLok will alarm if any attempt is made to tamper with it before authorised removeable.
- CableLok will self alarm if any attempt to remove protected merchandise is made.

Eliminates hard-wire cabling and safety claims from customers tripping over power transformer and wire cables.

INTREPIDSECURITY

Intrepid Security supplies and maintains a unique portfolio of systems to prevent stock loss and protect profits, supporting a healthy, profitable, business. With over 30 years experience in retail, library and distribution companies of all sizes and in all market sectors, we have a unique insight and understand that loss reduction cannot be sold as a one size fits all solution.

Our independence enables us to offer impartial advice, based on your company's specific needs and to work with each business to provide a viable solution that works. We supply companies large and small including many of the high streets' best known stores as well as the world's most famous department store.

We are constantly sourcing, researching and trialling new systems from the industry's most innovative developers and designers, in addition to our own in-house R & D, to ensure that we can offer you the best loss prevention solutions, including:

- **EAS:** tagging from the world's leading manufacturers across all technologies. We also supply tags, labels and alarms for any manufacturer systems.
- **CCTV:** The Highest definition cameras with mobile apps for dial in capabilities enabling you to see your business 24/7, from anywhere in the world.
- **SmartTrack Camera:** 360° Vision with the world's only Automated Twin Camera carriage track CCTV system. Ingeniously concealed, this travelling motorised system utilizes pan, tilt and zoom track cameras that glide undetected along a track. Silent, swift and precise
- **Access Control:** Software integrated, stand alone and unique RFID solutions.

Our focus is and has always been on quality, independent technical advice and customer support.
