

# WHAT INTREPID CAN OFFER YOUR BUSINESS

Intrepid is the longest established independent EAS company in the UK, with unrivaled experience in loss prevention and profit protection for retail and non-commercial institutions.

We offer systems and services to protect your stock, improve customer service and increase your profits:

EAS Tagging

**EAS**  
 Tagging from the world's leading manufacturers across all technologies. We also supply tags, labels and alarms for all manufacturers systems

## Overt and Covert CCTV

The Highest definition cameras with mobile apps for dial in capabilities enabling you to see your business 24/7, from any device, anywhere in the world.

CCTV

**Access Control**  
 Software integrated, stand alone and unique RFID solutions

Access Control

Smart Track

## SmartTrack Camera

360o Vision with the world's only Automated Twin Camera carriage track CCTV system. Ingeniously concealed, this traveling motorised system utilizes pan, tilt and zoom track cameras that glide undetected along a track. Silent, swift and precise.

RFID

**RFID**  
 Track, trace and re-stock to have merchandise in the right place at the right time.

Specialist tags

## Specialist tags and labels

Not all your merchandise can be protected with a tag or label. We have the right tag to protect every item.

# INTREPIDSECURITY

Intrepid Security supplies and maintains a unique portfolio of systems to prevent stock loss and protect profits, supporting a healthy, profitable, business. With over 30 years experience in retail, library and distribution companies of all sizes and in all market sectors, we have a unique insight and understand that loss reduction cannot be sold as a one size fits all solution.

Our independence enables us to offer impartial advice, based on your company's specific needs and to work with each business to provide a viable solution that works. We supply companies large and small including many of the high streets' best known stores as well as the world's most famous department store.

We are constantly sourcing, researching and trialling new systems from the industry's most innovative developers and designers, in addition to our own in-house R & D, to ensure that we can offer you the best loss prevention solutions.

**Our focus is and has always been on quality, independent technical advice and customer support.**
