

PENTOR PL 3030

EM PROTECTION AND SECURITY

The Pentor PL has been specially developed for libraries to give crystal clear protection, with optimal performance. Constructed from scratch resistant acrylic the multi wire construction offers the most refined design for any library environment.

The Pentor PL accurately detects unauthorised removal of library material. The system has the latest advancements in EM technology encased in the most sophisticated library system available.

Dimensions:

Antenna: 330 x 15 x 1612 mm (W x D x H)
Antenna Base: 730 x 95 x 10 mm (W x D X H)
Weight: 25kgms

Features:

- Fully digital configuration (DSP)
- Visual audio alarm
- Advanced Electromagnetic EM technology
- Switch Capacitor Filtering
- Magnetic media safe
- Multiple antenna across wider entrances are possible

Options:

- People Counter

IntrepidLibrary

Intrepid Library supplies and maintains a unique portfolio of systems to protect all types of library media. With over 30 years experience in library and museums and public buildings of all sizes we have a unique insight and understand that there is no one size fits all solution.

Our independence enables us to offer impartial advice, based on your specific needs and to work with each client to provide a viable solution that works.

We are constantly sourcing, researching and trialling new systems from the industry's most innovative developers and designers, in addition to our own in-house R & D, to ensure that we can offer you the best loss prevention solutions, including:

- **EAS:** tagging from the world's leading manufacturers across all technologies. We also supply, labels and alarms for any manufacturer systems.
- **CCTV:** The Highest definition cameras with mobile apps for dial in capabilities enabling you to see your business 24/7, from anywhere in the world.
- **People Counting:** All types of people counters, from simple battery operated to IT integrated software, which can be fully customised for your own requirements. Remote access and real time reporting.
- **Access Control:** Software integrated, stand alone and unique RFID solutions.
- **Digital Team Communication:** Reliable team communication for up to 30 users. No battery packs or cables, just smart lightweight headsets that let you communicate over an area of up to 200,000 sqft.

Our focus is and has always been on quality, independent technical advice and customer support.

INTREPID LIBRARY

We are constantly sourcing, researching and trialling new systems to ensure that we can offer you the best security for your library.
